COMMENDATIONS FROM OUR RECENT TASSIE TRIP.....

GOODWOOD PS:

“Students thoroughly enjoyed themselves”. *L. Apandy*

“Children enjoyed the interaction with you. It was varied and stimulating.”

Mrs L White

“Yeah WOW!!! Real learning! Real teaching! Real thinking! Real entertainment! Thank you!” *C Roberts*

“Stimulating and fast moving. The children were actively involved and asking questions.” *Cindy Moore*

GOULBURN ST PS HOBART

“I liked it. I learnt some things. More importantly, so did the children.”

Pam Harrison

“Excellent crowd control and use of audience participation. Children really enjoyed the show although before hand some were sceptical about it being ‘fun’. It really helped chn. rethink what science is. some chn. followed up at home” *Louise Evans.*

SANDY BAY INFANT SCHOOL

“Fantastic - more, more, more!!! I was really impressed with the scientific terms/language you used with the kids.” *Anna Pafitis*

SCOTTSDALE PS

“Stimulating, thought provoking, child centred and audience participation made it an injoyable experience”. *Ellen White.*

SHEFFIELD DHS

“Fantastic! I liked the way you introduced yourself to people. Loved the “fun” approach. Chn discussed things afterwards, debating ideas back and forth.” *Robyn Tate.*
