GLADSTONE PARK PS 12/11/02:

CHERYL BENSON Yr 3 Teacher "Great show! Maintained the children's interest and concentration for 1 1/2 hrs - fabulous. Presented many concepts in an entertaining, amusing manner providing simple explanations. Thank you."

WEST MEADOWS HEIGHTS PS: 22/10/02

Carol Hadden [with agreement of rest of staff!]:

"Fantastic for all. Educational but fun. Simple, easily obtainable equipment. Stimulating activities for children and teachers to reproduce later. Got everyone thinking."

PLEASANT ST PS 2/9/02:

Helen Harrison Science Coordinator: "A great show and well suited to primary children. Lots of positive comments from parents and children and staff. We'll get you to come again Royce - next time a day show and a Science Night. Thanks."

ST FRANCIS DE SALES PS OAK PARK 29/7/02:

Jackie McGrath Curriculum Coordinator: "Thank you for your tim, efforts and energy. The staff, children and parents enjoyed your evening. The feedback has been very positive!! FANTASTIC! 😊"

REDAN PS:

Dianne Sullivan yr 3 teacher....."You captivated the large audience very well. The use of everyday objects in a new way encouraged children to predict and discover new ways of thinking about science in our everyday world."

Reg Farquhar Science Coordinator "We enjoyed your shows immensely and there is a good chance we will see you again next year..."

Vicki Renick Asst Prin..... "Great experience for teachers / challenges for children. Makes science fun."

ST THOMAS MORE PS:

Helen Roberts yr 2 teacher..... "Chn were enthralled, activities were varied, a great session. Thank you."
